Hello!

We are gathering family, business and community histories as we are planning to publish a History Book for Binscarth and area. The new History Book will be an update with some bridging and filling in of gaps since the last printing (1984).

We have set up a display with a few sample histories to view. These may help you develop your own story or stories.

The **BINSCARTH MEMORIES** history book will be on display and some neat pictures that our friend Sandra Cadieux has taken over the past few years.

Plan:

- Business cards are available with the committee emails, you can contact any committee member with questions.
- Deadline date for stories is December 31, 2016.
- Our goal is to have the book (or finished product) available by next July 1st
- We would like to make use of the website for depositing information... and leave an electronic collection of Binscarth and area history.

On the back side - we have an outline that you can use to help you in making up your write-up. Thanks! And hope to hear from you soon.

Committee members: Annette Dreilich, Sandra Cadieux, Harvey Kingdon, Rita Wasslen, Laurel Boucher, Lesley Sawchuk, Robin Robinson, Karen Bauer.

If you have time to help out, please give one of the members a call and attend our next meeting.
Thank you for your help!
